I was just re-familiarizing myself with the process and I remembered that DTSC already provided the pre-cercla screening materials. Can you please remind me (before 10am) of the process for this document and where we are at?

Hello,

Attached please find our request to Administrator Regan to add areas impacted by the former Exide lead-acid battery facility's operations to the National Priorities List. We're very much looking forward to continuing to partner with you as you assess California's request.

Regards,
Meredith
